

PICTURE POLICIES

Foreword:

DreamNation's Picture Policies are designed to provide a balance between what we, as residents would like and what is fun, and what is safe for the grid and the residents. In the immortal words of John Kennedy, it is not about what the grid can do for us, but what we can do for the grid.

The picture policies are not about the law, especially what is the law in the USA. It is about doing what we can to keep our grid, our DreamNation alive and well, safe and secure.

We are looking for you to provide the common sense in accepting and abiding by these picture policies as your way of assisting us in keeping our grid, safe, secure and fun:

IF YOU THINK YOUR PICTURE MIGHT BE BORDERLINE, THEN IT IS.
